

# MADEIRA

**\*1975;** *Germany.* From the very beginning, this company has been committed to the production of high quality threads. This principle dates back to 1919 when the company was established in Freiburg under the name Burkhardt und Schmidt, and has been constantly refined and redefined throughout the historic ups and downs of this century. In 1975, under the name of Madeira Garnfabrik, the company gradually also expanding globally. Today serving more than 60 countries worldwide it offers a wide variety of threads such as viscose, classic, polyester, Polyneon, wool-like threads, matte polyester, metallized and glittering threads, also available in many different thicknesses.
